

# M + W GROUP

## Complex projects simply delivered.

No matter where in the world you plan your next facility, we implement high technology solutions for your projects from concept and design to turnkey handover.

Come and meet us to talk to our experts about innovative know-how in process simulation, integrated project delivery and modular design.

**Consulting > Engineering > Construction**

**Visit us at POWTECH 2016  
19 – 21 April 2016  
hall 3, booth 330, Nuremberg**
